

THE WAGNER LAW GROUP

Bankruptcy and Restructuring

Our Expertise

Our Bankruptcy and Restructuring group practices at the intersection of bankruptcy law and employee benefits law. The firm's attorneys provide special counsel support on employee benefits matters to debtors, creditors, ad hoc or official creditor or equity committees, examiners, trustees, receivers, unions, retiree associations, and other stakeholders and, where necessary, zealously litigate on their behalf. Our team draws on the support of our ERISA, Employee Benefits & Executive Compensation, Labor, Employment & HR, Investment Management, Mergers & Acquisitions, Litigation, Fiduciary Compliance, and Independent Fiduciary Services practices.

Our Bankruptcy and Restructuring group also utilizes the firm's unique and in-depth experience in PBGC counseling, disputes, and litigation. Led by Israel (Izzy) Goldowitz, former chief counsel to the PBGC, we regularly represent clients in PBGC investigations, terminations, and claims disputes, which often arise in restructuring or bankruptcy settings. The firm also counsels clients on plan fiduciary and administration matters, mergers and acquisitions, and executive compensation, which pose unique challenges in restructuring, pre-bankruptcy or bankruptcy.

Additional situations requiring our counsel include:

- pension funding issues, including funding waivers
- termination of single-employer plans
- plan mergers, spinoffs, assumptions, or replacements
- plan freezes, annuitization, and other forms of de-risking
- funding improvement or rehabilitation plans for multiemployer plans
- employer security issues
- withdrawal from multiemployer pension plans
- claims resulting from plan termination or withdrawal
- settlor and fiduciary functions and conflicts of interest
